

# Perfect Polka Dots

Written By: Sarah Palin

## TOOLS:

- [1 inch round sponge brush \(1\)](#)
- [Fabric paint \(1\)](#)
- [Pair of solid color trousers \(1\)](#)

## SUMMARY

This article is originally posted at [Stylehive.com](#).

Have you been seeing spots these days? This popular print is making fashion waves on the runway and the streets during Fashion Week. We're embracing this cheerful print and showing you how to spot it yourself. Take a break from your floral dresses and Parisian stripes. This Fall you'll have a new pattern in your closet to boast about.

### What you'll need:

Pair of solid-color trousers.

Fabric paint.

1-inch round sponge brush.

(If you don't have a round stamp you can make your own by cutting out a small round piece of cardboard.)

## Step 1 — Perfect Polka Dots

- Spotted!

## Step 2

- Step 1 - Dab your brush in paint so that it coats the bottom.

### Step 3

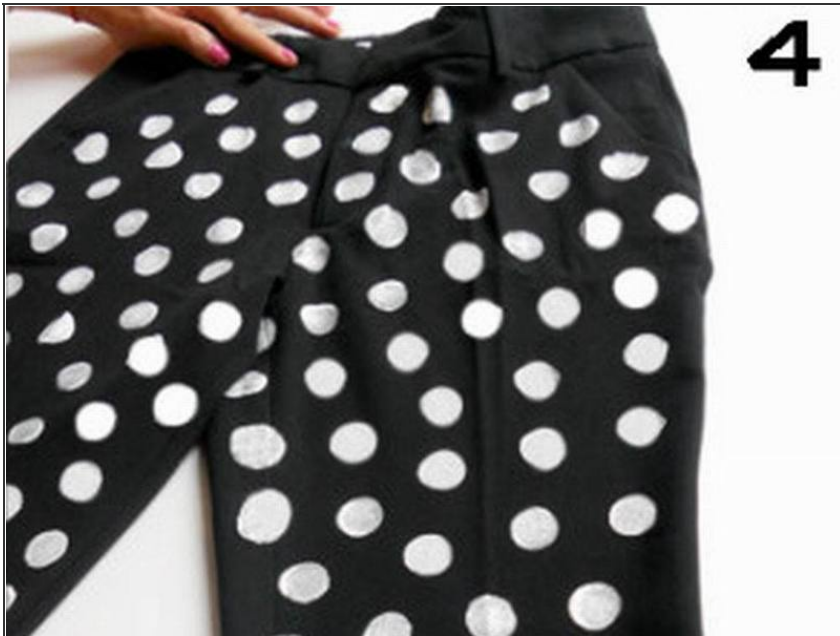

- Step 2 - Lay your pants flat on a hard surface.

### Step 4

- Step 3 - Holding your brush vertically apply your paint spots in the pattern you desire.

## Step 5

- Step 4 - Repeat until your pants are covered in spots!

## Step 6

- Done.
